

We've been working with John for some time and have been very happy with his services. The credit card terminals he has installed in both my offices have worked out great. He's reliable and follows up on what he says he will do. I would recommend him to anyone wanting to improve their merchant services and save money.

A handwritten signature in black ink, appearing to read "Eric Buck", with a long horizontal stroke extending to the right.

-Eric Buck, DDS
